

# Choose the best Neighborhood to live in Manhattan

## Introduction

Manhattan is the one of the most flourishing areas in the world. There are over 1,628,701 people living in the area of 87.0 km<sup>2</sup>. The density of Manhattan has reached alarmingly 26,821.6/km<sup>2</sup>. I choose it because of it is the most famous metropolis in the world. There are total 40 neighborhoods in Manhattan.

If I am a young man with American Dream who want to live in Manhattan. I would choose a neighborhood with a moderate price and convenient venues. When we consider these two problems. We can create a map and information chart.
